

PRIORITY PRODUCTS FOR EXPORT FROM GHANA TO THE EC

These products will be identified by Ghana and notified to the EPA Committee not later than three months from the date of signature of the present Agreement. The EPA Committee will adopt the list of products.

COMPETENT AUTHORITIES

A. Competent authorities of the European Community

Control is shared between the national services of the Member States and the European Commission. In this respect the following applies:

- As regards exports to Ghana, the EC Member States are responsible for control of the production circumstances and requirements, including statutory inspections and issuing health (or animal welfare) certifications attesting to the agreed standards and requirements;
- As regards imports from Ghana, the Member States are responsible for control of the compliance of the imports with the Community's import conditions;
- The European Commission is responsible for overall coordination, inspection/audits of inspection systems and the necessary legislative action to ensure uniform application of standards and requirements within the internal EC market.

B. Competent authorities of Ghana

These authorities will be designated by Ghana and notified to the EPA Committee not later than three months from the date of signature of the present Agreement. The EPA Committee will adopt an amended appendix.

CUSTOMS DUTIES ON PRODUCTS ORIGINATING IN GHANA

1. Without prejudice to paragraphs 2, 4, 5, 6 and 7 customs duties of the EC Party (hereinafter referred to as "EC customs duties") shall be entirely eliminated on all products of Chapters 1 to 97 of the Harmonised System, except those of Chapter 93 thereof, originating in Ghana upon the entry into force of this Agreement. For products of Chapter 93 the EC Party shall continue to impose the applied Most Favoured Nation (MFN) duties.
2. EC customs duties on the products of tariff heading 1006 originating in Ghana shall be eliminated as from 1 January 2010, with the exception of EC customs duties on the products of subheading 1006 10 10 which shall be eliminated as from the entry into force of this Agreement.
3. The Parties agree that the provisions of Protocol 3 of the Cotonou Agreement (hereinafter referred to as the "Sugar Protocol") shall remain applicable until 30 September 2009. After that date the EC Party and Ghana agree that the Sugar Protocol shall no longer be in force between them. For the purposes of Article 4(1) of the Sugar Protocol, the delivery period 2008/9 will last from 1 July 2008 to 30 September 2009. The guaranteed price for 1 July 2008 - 30 September 2009 shall be decided following the negotiation provided for in Article 5(4) of the Sugar Protocol.

4. EC Customs duties on products of tariff heading 1701 originating in Ghana shall be eliminated as from 1 October 2009. No import license shall be granted with regard to products to be imported, unless the importer undertakes to purchase such products at a price at least equal to the guaranteed prices fixed for sugar imported into the EC Party under the Sugar Protocol.

5. (a) The EC Party may, during the period between 1 October 2009 and 30 September 2015 impose the applied MFN duty on the products originating in Ghana of tariff heading 1701 [sugar] imported in excess of the following levels expressed in white sugar equivalent, which are deemed to cause a disturbance in the EC Party sugar market:

(i) 3,5 million tonnes in a marketing year of such products originating in States members of the African, Caribbean and Pacific Group of States (ACP States) signatory to the Cotonou Agreement; and

(ii) 1,38 million tonnes in marketing year 2009/2010 of such products originating in ACP States that are not recognised by the UN as least developed countries. The figure of 1,38 million tonnes shall increase to 1,45 million tonnes in marketing year 2010/2011, and 1,6 million tonnes in the following four marketing years;

(b) The importation of products of tariff heading 1701 originating in any signatory West African State that is recognised by the UN as a least developed country shall not be subject to the provisions of subparagraph 5(a). However, such imports shall remain subject to the provisions of Article 25¹;

(c) The imposition of the applied MFN duty shall cease at the end of the marketing year during which it was introduced;

(d) Any measure taken pursuant to this paragraph shall be notified immediately to the EPA Committee and shall be the subject of periodic consultations within that body.

6. As of 1 October 2015, for the purpose of the application of the provisions of Article 25 disturbances in the markets of products of tariff heading 1701 may be deemed to arise in situations where the European Community market price of white sugar falls during two consecutive months below 80 percent of the European Community market price for white sugar prevailing during the previous marketing year.

¹ For this purpose and by derogation to Article 25, any individual West African State recognised by the United Nations as a least developed country may be subject to safeguard measures.

7. From 1 January 2008 until 30 September 2015 products of tariff heading 1704 90 99, 1806 10 30, 1806 10 90, 2106 90 59 and 2106 90 98 shall be subject to a special surveillance mechanism in order to ensure the arrangements provided for in paragraphs 4 and 5 are not circumvented. In the event of a cumulative increase of imports of such products originating in Ghana by more than 20 percent in volume during a period of 12 consecutive months compared to the average of the yearly imports over the three previous 12-month periods, the EC Party shall analyse the pattern of trade, the economic justification and the sugar content of such imports and, if it considers that such imports are used to circumvent the arrangements provided for in paragraphs 4 and 5, it may suspend the preferential treatment and introduce the specific MFN duty applied to imports pursuant to the European Community Common Customs Tariff for products of tariff heading 1704 90 99, 1806 10 30, 1806 10 90, 2106 90 59 and 2106 90 98 originating in Ghana. Subparagraph 5(b), (c) and (d) shall apply mutatis mutandis to action under this paragraph.

8. Between 1 October 2009 and 30 September 2012 with regard to the products of tariff heading 1701, no preferential import license shall be granted unless the importer undertakes to purchase such products at a price not lower than 90 percent of the reference price set by the EC Party for the relevant marketing year.

9. Paragraph 1 shall not apply to products of tariff heading 08030019 originating in Ghana and released for free circulation in the outermost regions of the EC. Paragraphs 1, 3 and 4 shall not apply to the products of tariff heading 1701 originating in Ghana and released for free circulation in the French Overseas Departments. This provision shall be applicable for a period of ten years. This period shall be extended for a further period of ten years unless the Parties agree otherwise.

CUSTOMS DUTIES ON PRODUCTS ORIGINATING IN THE EC PARTY

Ghana establishes a liberalisation schedule for products originating in the EC imported in Ghana territory which comprises four groups of products:

- for the Group A, the liberalisation will be completed by 1 January 2013,
- for the Group B, which includes mainly raw material and equipment for existing and infant industries, the liberalisation will start on 1 January 2013 to be completed by 31 December 2017,
- for the Group C, which includes goods with a high fiscal revenue value, the liberalisation will start on 1 January 2018 to be completed by 31 December 2022,
- the products of Group D will be excluded from the scope of liberalisation. Any further liberalisation will be implemented in line with Ghana's development objectives after a period of not less than 25 years. Sensitive products in this category relate to livelihoods, food security, rural development particularly in agriculture and agro-processing as well as infant industries products, high-revenue goods to mitigate the potential net fiscal impact and luxury goods.

The Export Development and Investment Fund (EDIF) Levy is backed by the Export Development and Investment Fund Act 582 of 2000. It is imposed on all imports at the rate of 0,5% CIF with the objective of generating funds to stimulate the export sector and support trade in general. This levy is not included in the base duties listed in the liberalisation schedule hereafter. The Ghanaian Party may maintain this levy until 31 December 2017 and shall therefore eliminate it on 1 January 2018 at the latest. Cooperation in respect to financial adjustment in Article 8 of this Agreement shall also apply to the elimination of this levy.

LIST OF FEES AND OTHER CHARGES OF
THE GHANAIAN PARTY REFERRED TO IN ARTICLE 11(2)

Destination Inspection Fee

This is a fee charged by inspection companies for services rendered, and it emanates from the Implementation of the WTO Agreement on Customs Valuation and Destination Schemes. It is the Commissioner's Orders number 4 of 2000. Its rate is of 1 % of CIF.

LIST OF OUTERMOST REGIONS OF THE EC PARTY
CONCERNED BY ARTICLE 74

- French overseas departments (Guadeloupe, Martinique, French Guyana, Réunion),
 - the Azores,
 - Madeira,
 - the Canary Islands.
-

PROTOCOL
ON MUTUAL ADMINISTRATIVE ASSISTANCE
IN CUSTOMS MATTERS

ARTICLE 1

Definitions

For the purposes of this Protocol:

- (a) "customs legislation" means any legal or regulatory provisions applicable in the territories of Ghana or the EC Party, governing the import, export and transit of goods and their placing under any other customs regime or procedure, including measures of prohibition, restriction and control;
- (b) "applicant authority" means a competent administrative authority which has been designated by Ghana or the EC Party for this purpose and which makes a request for assistance on the basis of this Protocol;
- (c) "requested authority" means a competent administrative authority which has been designated by Ghana or the EC Party for this purpose and which receives a request for assistance on the basis of this Protocol;

- (d) "personal data" means all information relating to an identified or identifiable individual;
- (e) "operation in breach of customs legislation" means any violation or attempted violation of customs legislation.

ARTICLE 2

Scope

1. The Parties shall assist each other, in the areas within their competence, in the manner and under the conditions laid down in this Protocol, to ensure the correct application of the customs legislation, in particular by preventing, investigating and combating operations in breach of that legislation.
2. Assistance in customs matters, as provided for in this Protocol, shall apply to any administrative authority of the Parties which is competent for the application of this Protocol. It shall not prejudice the rules governing mutual assistance in criminal matters. Nor shall it cover information obtained under powers exercised at the request of a judicial authority, except where communication of such information is authorised by that authority.
3. Assistance to recover duties, taxes or fines is not covered by this Protocol.

ARTICLE 3

Assistance on request

1. At the request of the applicant authority, the requested authority shall provide it with all relevant information which may enable it to ensure that customs legislation is correctly applied, including information regarding activities noted or planned which are or could be operations in breach of customs legislation.
2. At the request of the applicant authority, the requested authority shall inform it:
 - (a) whether goods exported from the territory of one of the Parties have been properly imported into the territory of the other Party, specifying, where appropriate, the customs procedure applied to the goods;
 - (b) whether goods imported into the territory of the Party have been properly exported from the territory of the other Party, specifying, where appropriate, the customs procedure applied to the goods.
3. At the request of the applicant authority, the requested authority shall, within the framework of its legal or regulatory provisions, take the necessary steps to ensure special surveillance of:
 - (a) natural or legal persons in respect of whom there are reasonable grounds for believing that they are or have been involved in operations in breach of customs legislation;

- (b) places where stocks of goods have been or may be assembled in such a way that there are reasonable grounds for believing that these goods are intended to be used in operations in breach of customs legislation;
- (c) goods that are or may be transported in such a way that there are reasonable grounds for believing that they are intended to be used in operations in breach of customs legislation; and
- (d) means of transport that are or may be used in such a way that there are reasonable grounds for believing that they are intended to be used in operations in breach of customs legislation.

ARTICLE 4

Spontaneous assistance

The Parties shall assist each other, at their own initiative and in accordance with their legal or regulatory provisions, if they consider that to be necessary for the correct application of customs legislation, particularly by providing information obtained pertaining to:

- activities which are or appear to be operations in breach of customs legislation and which may be of interest to the other Party,
- new means or methods employed in carrying out operations in breach of customs legislation,

- goods known to be subject to operations in breach of customs legislation,
- natural or legal persons in respect of whom there are reasonable grounds for believing that they are or have been involved in operations in breach of customs legislation, and
- means of transport in respect of which there are reasonable grounds for believing that they have been, are, or may be used in operations in breach of customs legislation.

ARTICLE 5

Delivery and notification

At the request of the applicant authority, the requested authority shall, in accordance with legal or regulatory provisions applicable to the latter, take all necessary measures in order:

- to deliver any documents, or
- to notify any decisions,

emanating from the applicant authority and falling within the scope of this Protocol, to an addressee residing or established in the territory of the requested authority.

Requests for delivery of documents or notification of decisions shall be made in writing in an official language of the requested authority or in a language acceptable to that authority.

ARTICLE 6

Form and substance of requests for assistance

1. Requests pursuant to this Protocol shall be made in writing. They shall be accompanied by the documents necessary to enable compliance with the request. When required because of the urgency of the situation, oral requests may be accepted, but must be confirmed in writing immediately.
2. Requests pursuant to paragraph 1 shall include the following information:
 - (a) the applicant authority;
 - (b) the measure requested;
 - (c) the object of and the reason for the request;
 - (d) the legal or regulatory provisions and other legal elements involved;
 - (e) indications as exact and comprehensive as possible on the natural or legal persons who are the target of the investigations; and
 - (f) a summary of the relevant facts and of the enquiries already carried out.

3. Requests shall be submitted in an official language of the requested authority or in a language acceptable to that authority. This requirement shall not apply to any documents that accompany the request under paragraph 1.

4. If a request does not meet the formal requirements set out above, its correction or completion may be requested; in the meantime precautionary measures may be ordered.

ARTICLE 7

Execution of requests

1. In order to comply with a request for assistance, the requested authority shall proceed, within the limits of its competence and available resources, as though it were acting on its own account or at the request of other authorities of that same Party, by supplying information already possessed, by carrying out appropriate enquiries or by arranging for them to be carried out. This provision shall also apply to any other authority to which the request has been addressed by the requested authority when the latter cannot act on its own.

2. Requests for assistance shall be executed in accordance with the legal or regulatory provisions of the requested Party.

3. Duly authorised officials of a Party may, with the agreement of the other Party involved and subject to the conditions laid down by the latter, be present to obtain in the offices of the requested authority or any other concerned authority in accordance with paragraph 1, information relating to activities that are or may be operations in breach of customs legislation which the applicant authority needs for the purposes of this Protocol.

4. Duly authorised officials of a Party involved may, with the agreement of the other Party involved and subject to the conditions laid down by the latter, be present at enquiries carried out in the latter's territory.

ARTICLE 8

Form in which information is to be communicated

1. The requested authority shall communicate results of enquiries to the applicant authority in writing together with relevant documents, certified copies or other items.

2. This information may be in computerised form.

3. Original documents shall be transmitted only upon request in cases where certified copies would be insufficient. These originals shall be returned at the earliest opportunity.

ARTICLE 9

Exceptions to the obligation to provide assistance

1. Assistance may be refused or may be subject to the satisfaction of certain conditions or requirements, in cases where one Party is of the opinion that assistance under this Protocol would:
 - (a) be likely to prejudice the sovereignty of Ghana or that of a Member State of the European Community which has been requested to provide assistance under this Protocol; or
 - (b) be likely to prejudice public policy, security or other essential interests, in particular in the cases referred to under Article 10(2); or
 - (c) violate an industrial, commercial or professional secret.
2. Assistance may be postponed by the requested authority on the ground that it will interfere with an ongoing investigation, prosecution or proceeding. In such a case, the requested authority shall consult with the applicant authority to determine if assistance can be given subject to such terms or conditions as the requested authority may require.
3. Where the applicant authority seeks assistance which it would itself be unable to provide if so requested, it shall draw attention to that fact in its request. It shall then be for the requested authority to decide how to respond to such a request.

4. For the cases referred to in paragraphs 1 and 2, the decision of the requested authority and the reasons thereof must be communicated to the applicant authority without delay.

ARTICLE 10

Information exchange and confidentiality

1. Any information communicated in whatsoever form pursuant to this Protocol shall be of a confidential or restricted nature, depending on the rules applicable in each of the Parties. It shall be covered by the obligation of official secrecy and shall enjoy the protection extended to similar information under the relevant laws of the Party that received it and the corresponding provisions applying to the European Community authorities.

2. Personal data may be exchanged only where the Party which may receive them undertakes to protect such data in at least an equivalent way to the one applicable to that particular case in the Party that may supply them. To that end, the Parties shall communicate to each other information on their applicable rules, including, where appropriate, legal provisions in force in the Member States of the European Community.

3. The use, in judicial or administrative proceedings instituted in respect of operations in breach of customs legislation, of information obtained under this Protocol, is considered to be for the purposes of this Protocol. Therefore, the Parties may, in their records of evidence, reports and testimonies and in proceedings and charges brought before the courts, use as evidence information obtained and documents consulted in accordance with the provisions of this Protocol. The competent authority which supplied that information or gave access to those documents shall be notified of such use.

4. Information obtained shall be used solely for the purposes of this Protocol. Where one of the Parties wishes to use such information for other purposes, it shall obtain the prior written consent of the authority which provided the information. Such use shall then be subject to any restrictions laid down by that authority.

ARTICLE 11

Experts and witnesses

An official of a requested authority may be authorised to appear, within the limitations of the authorisation granted, as an expert or witness in judicial or administrative proceedings regarding the matters covered by this Protocol, and produce such objects, documents or certified copies thereof, as may be needed for the proceedings. The request for appearance must indicate specifically before which judicial or administrative authority the official will have to appear, on what matters and by virtue of what title or qualification the official will be questioned.

ARTICLE 12

Assistance expenses

The Parties shall waive all claims on each other for the reimbursement of expenses incurred pursuant to this Protocol, except, as appropriate, for expenses to experts and witnesses, and those to interpreters and translators who are not public service employees.

ARTICLE 13

Implementation

1. The implementation of this Protocol shall be entrusted on the one hand to the customs authorities of the Ghanaian Party and on the other hand to the competent services of the Commission of the European Communities and the customs authorities of the Member States as appropriate. They shall decide on all practical measures and arrangements necessary for its application, taking into consideration the rules in force in particular in the field of data protection. They may recommend to the competent bodies amendments which they consider should be made to this Protocol.
2. The Parties shall consult each other and subsequently keep each other informed of the detailed rules of implementation which are adopted in accordance with the provisions of this Protocol.

ARTICLE 14

Other agreements

1. Taking into account the respective competences of the European Community and the Member States, the provisions of this Protocol shall:

- not affect the obligations of the Parties under any other international Agreement or Convention,
- be deemed to be complementary to Agreements on mutual assistance which have been or may be concluded between individual Member States of the European Community and Ghana,

and shall:

- not affect the European Community provisions governing the communication between the competent services of the Commission of the European Communities and the customs authorities of the Member States of the European Community of any information obtained under this Protocol which could be of interest to the European Community.

2. Notwithstanding the provisions of paragraph 1, the provisions of this Protocol shall take precedence over the provisions of any bilateral Agreement on mutual assistance which has been or may be concluded between individual Member States of the European Community and Ghana in so far as the provisions of the latter are incompatible with those of this Protocol.

3. In respect of questions relating to the applicability of this Protocol, the Parties shall consult each other to resolve the matter in the framework of the EPA Committee set up under Article 73 of the stepping stone EPA between Ghana and the European Community and its Member States.
