2008	in day care centres	32,797	210,043	47,506
	childcare rate (%)	14.0	86.5	14.5
2009	in day care centres	36,793	213,997	50,131
	childcare rate (%)	15.8	88.5	15.4

The ratio of children in day care institutions compared to the resident population of the same age bands. Children in day care centres on the reference date of October 15th, or who reached the respective age by September 1st.

The 6 to 9 years old age band mainly comprises children in day homes for school children and mixed-age care facilities.
